Review of “petitioned” annexation requirements
Chapter 200, Metropolitan Sewerage Districts

• 200.15 Addition of territory. Territory not originally within a district may be added thereto in the following ways:
  • (2) Proceedings leading to the addition of other territory (*not a City, Village or Town Sanitary District*) to a district may be initiated by petition from a municipal governing body or upon motion of the commission.
(2 continued) Upon receipt of the petition or upon adoption of the motion, the commission shall hold a public hearing preceded by a class 2 notice under ch. 985. The commission may approve the annexation upon a determination that the standards of ss. 200.05 (4) (b) and (c) and 200.15 (3) are met. Approval actions by the commission under this section shall be subject to review under ch. 227.
Chapter 200, Metropolitan Sewerage Districts

• 200.05 (4) (b)

The formation of the district will promote sewerage management policies and operation and will be consistent with adopted plans of municipal, regional and state agencies; and
• 200.05 (4) (c)

The formation of the district will promote the public health and welfare and will effect efficiency and economy in sewerage management, based upon current generally accepted engineering standards regarding prevention and abatement of environmental pollution and federal and state rules and policies in furtherance thereof.
200.15 (3)
Annexations under subs. (1) and (2) may be subject to reasonable requirements as to participation by newly annexed areas toward the cost of existing or proposed district facilities.

- Contiguous to MMSD Boundaries
- Prevents gaps (islands) in MMSD Boundaries
- Includes nearby lands within USA
- Regular boundaries (follows section lines)
- Adjacent parklands included (if possible)

*See handout “Guidelines for Orderly and Efficient Addition of Territory to the District*
Public hearing during the meeting of April 16, 2020
• Requirements of class 2 notice can be met.
• Any approval by the district after the public hearing should be conditioned upon the Town of Middleton and City of Madison having executed an agreement for providing sanitary sewer service.

Public hearing date after April 16, 2020 should be considered if:
• Modifications to the annexation are requested to be made, prior to the public hearing.
• A quorum of the commission is not expected at the April 16, 2020 meeting.
• Commission members prefer to see the fully executed service agreement between the Town of Middleton and City of Madison prior to scheduling the public hearing.
Thank you!
