

# MADISON METROPOLITAN SEWERAGE DISTRICT

## NOTICE OF PUBLIC HEARING

October 5, 2017

### 2016 LIQUID PROCESSING FACILITIES PLAN - NINE SPRINGS WASTEWATER TREATMENT PLANT

The Madison Metropolitan Sewerage District will hold a public hearing on **Thursday, October 5, 2017 at 6:30 p.m. at the Nine Springs Wastewater Treatment Plant**, 1610 Moorland Road, Madison, WI, 53713. The hearing will be held in the Training Room of the Maintenance Facility, which is handicap accessible. District staff will be present to answer questions and receive comments prior to a short presentation at 7 p.m.

The purpose of the hearing is to receive public input regarding submission of a liquid processing facilities plan to the Wisconsin Department of Natural Resources. The plan provides recommendations for improvements to the district's facilities for peak flow management, headworks screening, grit removal and hauled waste receiving, activated sludge process, disinfection of effluent and electrical reliability through the Year 2040. The plan is available for public inspection at the Nine Springs Wastewater Treatment Plant on weekdays from 7:30 a.m. – 4 p.m. It will also be made available for viewing at the district's website ([www.madsewer.org](http://www.madsewer.org)).

Anyone interested is invited to attend this meeting. If you wish to comment but cannot be present at the public hearing, please submit a written statement by 3 p.m., Tuesday, October 3, 2017, to Mr. D. Michael Mucha, Madison Metropolitan Sewerage District, 1610 Moorland Road, Madison, WI 53713.
