2015 Contract Between Yahara WINS and the Yahara Pride Farm Conservation Board

The period of this agreement is July 10, 2015 to June 30, 2016. The Yahara Pride Farm Conservation Board agrees as follows:

- $60,000 in funding provided under this agreement will be used for direct payments to producers as part of a cost sharing program for installing or using phosphorus reducing practices such as cover crops, low disturbance manure injection and strip tillage. The combined minimum acreage associated with these practices will be 1,500 acres.
- $20,000 in funding provided under this agreement may be used for supporting activities, including field data collection and analysis, SNAP-Plus modeling, report development, farm evaluations conducted as part of the Farm Certification Program and related activities.
- That cost share payments to producers using funds from this grant will not be made until after Yahara Pride confirms that SNAP-Plus information has been received from the producer.
- To provide Yahara WINS with a final report by June 30, 2016 that includes field specific information related to practices put in place under the cost share program, acres, the estimated change in the phosphorus index (PI) using SNAP-Plus, and related information, including unit cost information. The final report shall also include information on the number of farms worked with under the certification program and relevant summary information.
- To provide Yahara WINS with a preliminary report by January 31, 2016 on practices and activities funded under this agreement.
- To provide a detailed accounting of disbursements made under this agreement, including hours associated with supporting activities.
- That producers participating in the cost share program will not receive additional payments using funds provided by Yahara WINS through any other agreement for the same practices on the same acres in 2015.
- To return any unused funds to Yahara WINS at the end of the contract period or in the event that the Yahara Pride Farm Conservation Board is dissolved or no longer has legal standing.

Yahara WINS agrees to provide a total of $80,000 to the Yahara Pride Farm Conservation Board in consideration of and subject to the above. Payments will be made as follows:

- $20,000 by August 31, 2015.
- $55,000 upon receipt of the preliminary report with confirmation that minimum acreage has been met.
- $5,000 upon receipt of the final report
