Memorandum of Understanding for Participating in the Adaptive Management Plan for the Yahara Watershed

1. Parties
The parties to this MOU are Yahara Watershed Improvement Network ("Yahara WINS") and the Town of Burke.

2. Purpose
The purpose of this Memorandum of Understanding is to enable the Town of Burke to participate with the Yahara WINS to advance the Adaptive Management Plan for the Yahara Watershed. The focus of the adaptive management plan is to reduce phosphorus and sediment loads reaching streams, rivers and lakes located throughout the Yahara Watershed.

3. Project Administration
Overall project budgeting, administration, development of progress reports, and the conduct of meetings will be consistent with the “Intergovernmental Agreement For An Adaptive Management Plan For The Yahara Watershed”. The Town of Burke is both welcomed and encouraged to attend the Yahara WINS meetings.

4. Financial Contribution
The Town of Burke agrees to make an annual contribution of $2,000 to participate with the Yahara WINS Group to advance the Adaptive Management Plan for the Yahara Watershed, starting with the calendar year 2017.

5. Term of MOU and Withdrawal
The term of this MOU shall begin on last date shown in Section 6 of this MOU and will generally coincide with the term of the approved Adaptive Management Plan which is anticipated to be approximately 20 years from approval. The Town of Burke may withdraw from this MOU at any time by providing 90 days notice in advance of withdrawal.

6. Signatures
IN WITNESS WHEREOF, the parties hereto have set their hands at Madison, Wisconsin.
