Memorandum of Understanding for Participating in the Adaptive Management Plan for the Yahara Watershed

1. Parties
The parties to this MOU are Yahara Watershed Improvement Network ("Yahara WINS") and the Town of Pleasant Springs.

2. Purpose
The purpose of this Memorandum of Understanding is to enable the Town of Pleasant Springs to support the Yahara WINS to advance the Adaptive Management Plan for the Yahara Watershed by making a financial contribution to the project. The focus of the adaptive management plan is to reduce phosphorus and sediment loads reaching streams, rivers and lakes located throughout the Yahara Watershed.

3. Project Administration
Overall project budgeting, administration, development of progress reports, and the conduct of meetings will be consistent with the "Intergovernmental Agreement For An Adaptive Management Plan For The Yahara Watershed". The Town of Pleasant Springs is both welcomed and encouraged to attend the Yahara WINS meetings.

4. Financial Contribution
The Town of Pleasant Springs agrees to make one time contribution of $2,000 to the Yahara WINS Group to support the Adaptive Management Plan for the Yahara Watershed.

5. Signatures
