Madison Metropolitan Sewerage District

An aerial photograph of a wastewater treatment plant. In the foreground, three large circular tanks with silver, faceted domes are arranged in a row. Behind them are several rectangular aeration basins with blue water. The facility is surrounded by green grass and some trees. In the background, there are more industrial buildings and a body of water under a blue sky with light clouds. A semi-transparent blue rectangle is overlaid on the left side of the image, containing the word 'Questions?'.
