

Badger Mill Creek Stakeholder Group

September 2023 Update

Madison Metropolitan Sewerage District

Review: How we got here

- Committed \$1 million in funding to support the continued health and resiliency of Badger Mill Creek as part of the May 25 resolution.
- RFP posted in early July; received three responses
- Selected EOR, Inc. and facilitator Alison Lebwohl
- Initial planning with EOR in August
- Kick-off meeting held Wednesday, Sept. 20 in Verona

Facilitation team

Alison S. Lebwohl
Facilitator

- 18 years of experience designing and facilitating conversations for groups
- Facilitated Yahara CLEAN Compact
- Facilitated WisDOT's Transportation Task Force

Mike Rupiper
Project Manager, EOR

- 30 years of experience in Civil and Environmental Engineering
- Emphasis on watershed and climate resilience planning
- Most recently with CARPC

Stakeholder group participants

Madison Metropolitan Sewerage District

Schedule

Timeframe	Meeting Topic/Tasks
Phase 1: September-November 2023	Kick-off, establishing shared goals, state of the corridor
Early November 2023	First community meeting
Phase 2: January – March 2024	Technical discussions
April 2024	Second community meeting
Phase 3: April – August 2024	Develop and refine project portfolio
Thursday, September 12, 2024	Present final project recommendations to Commission

Kick-off meeting

This project will be successful if, at the end, we can say we...

- Have a durable, long-term fix
- Have a solid plan with support from all stakeholders
- Have (begun to) rebuild trust and have confidence we can work together in the future

Thank you

Madison Metropolitan Sewerage District
