

An aerial photograph of a wastewater treatment plant. The image shows several large, circular aeration tanks in the foreground, some with walkways and ladders. In the middle ground, there are several industrial buildings, including a large rectangular one on the left and a smaller one in the center. In the background, three large, dome-shaped storage tanks are visible. The entire scene is overlaid with a semi-transparent blue filter. The text "October Operations Report" is centered in the middle of the image in a white, bold, sans-serif font. Below it, the text "Madison Metropolitan Sewerage District" is also centered in a smaller, white, sans-serif font. A white, wavy graphic element is positioned below the second line of text.

October Operations Report

Madison Metropolitan Sewerage District

October Plant Performance

Thank you
